Title of the contribution/Titolo del contributo	The global impact of the Trieste model of community services		
Objectives/Obiettivi	Identify the important clinical and leadership knowledge from Trieste that is transferable globally		

Contents-text/Contenuto-testo:
Max. 400 parole/words

Professor Kendall and Fran Silvestri have a long history linking their work with what they have learned from the success of the Trieste Community system of care.

Professor Kendall will speak about the clinical impact of the concepts within Trieste and how they are becoming accepted globally.

Fran Silvestri will identify, key leadership capabilities he has observed within Trieste that have allowed Trieste to be the worlds best example of how sustainability can occur; and how the revolutionary beliefs of Franco Basaglia have been maintained and thrive.
