In 2017 the Mental Health Department of the University Integrated Health Authority entrusted a Temporary Business Association consisting of 11 cooperatives with more than 30 years of experience in the field of health and mental health services.

The social cooperative system's was able to associate 11 cooperative companies in the co-management of some mental health services.

The social cooperatives operate in various services in the market: education, rehabilitation, cleaning, administrative, hotel management, bar and food services, etc.
